| Item Specifics: Item: Auto Syphon Type: 4.5 litre (1 Gallon) Flush Height: 220 mm Thread: 1" BSPT Sub-Type: Plastic Brand: Anglo Standard | | |
| Feature: This auto flushing syphon is designed for use with 4.5 litre (1 gallon) urinal cisterns and provides a hands free automatic flush. An auto syphon will release the stored water down into the sparge pipes to flush the urinals once the water within the cistern has reached a sufficient level. | | |
