<p>Feature:</p> <ul style="list-style-type: none"> - Easy to install. - This is a standard door thickness for sliding doors. - Lock and unlock by sliding on inside of door. - Emergency release on outside of door. It is both small and discreet. - Have complete set, does not require anything else for sliding door. - Sliver finish. We electroplate our items in a sliver finish for its smooth bold look in addition to being highly durable. This is great for any new design which demand a modern statement
