World Health  
Organization

**After scrubbing, hold up  
your arms to allow water  
to drip off your elbows**

**Turn off the tap with your elbow**

#### **AFTER SCRUBBING**

**Dry your hands with a sterile towel  
and make sure the towel does not become  
contaminated**

**Hold your hands and forearms  
away from your body and  
higher than your elbows  
until you put on a sterile gown and sterile gloves**

***Always wash your hands after removing  
your gloves***
