<p>KB300 Horizontal Surface-Mounted</p> <p>Surface-mounted horizontal baby changing station is constructed of polypropylene and features a unibody steel chassis for superior strength. Available in three stunning colors with each providing a modern visual aesthetic. Thoughtful patron amenities enhance the end-user experience, and include Microban® product protection, a redesigned liner dispenser and the Koala brand mark that communicates comfort to families and the promise of a thoughtful accommodation.</p> <p>The dual liner cavity has an internal spring tab that pushes liners forward while only allowing single liner dispensing. Each cavity holds 25 liners and locking mechanism minimizes operator refills and discourages potential vandalism. The product includes child protection straps. Bed surface exclusively contains Microban® antimicrobial product protection that reduces odor causing bacteria and keeps the bed surface cleaner between cleanings. Concealed pneumatic cylinder provides controlled, slow opening and closing of the changing station bed.</p> <p>This Baby Changing Station has been tested to support 200 lbs with minimal deflection. Please note: This product is designed for infants only, up to 3.5 years of age and weighing less than 50 lbs. ASTM and EN compliant. Meets ADA requirements when mounted properly.</p>
